

Title: What Is God The Son – Part 4 – What Is Jesus Doing Now?

Author: Dr. Randall T. Hahn

Scripture: Romans 8:34; 1 John 2:1-2

God is for us. God is for you!

When it comes to your spiritual, physical, and eternal well-being; He did not consider His own Son too high a price to provide for you.

People Who Can Make an Accusation Against Us:

- Friends and family
- Enemies
- Satan, Revelation 12:10
- God

As a follower of Jesus, I have . . .

- The protection of His death as the propitiation (satisfactory payment) for my sins
- The protection of His resurrection as the proof of my justification
- The protection of His ascension since He is now at the right hand of God
- The protection of His intercession – He is praying for me

You have an Advocate. He is before the Judge 24/7 on your behalf.

Our goal now would be that He would have to defend less and less each day.

Therefore, He is always able to save those who come to God through Him [Jesus], since He always lives to intercede for them. – Hebrews 7:25

So what is Jesus doing right now? He stands before the Father 24/7 defending you and praying for you.

One reason we might not be experiencing the reality of this is because of sin: the sin of not trusting Him, the sin of disobeying Him, the sin of not living for Him.
