

**Title:** What is the Great Commission?

**Author:** Dr. Randall T. Hahn

**Scripture:** Acts 1:8

It is your job to tell people that you know Jesus Christ, He is the Son of God, He has been raised from the dead, and through Him they can be forgiven of their sins and have eternal life.

God has made you significant and given you a significant task.

We are significant because of our creation and relationship to God.

*For Christ also suffered for sins once for all, the righteous for the unrighteous, that He might bring you to God. . . – 1 Peter 3:18*

You don't have another one. Your commission, your assignment, your task from heaven is to be His witness.

Our significant task now lies in the fact that we can impact eternity.

Witnessing is not just one of the things a Christian does, it is the thing a Christian does. You witness as a mate, a parent, a co-worker, a friend, a young person, an old person. In every area and stage of life, you are a witness.

We have a class here called FAITH. Take it! Sign up today! YOU!

You are commanded to be a witness in Jerusalem (that's your home city), Judea and Samaria (that is your region and state), and to the ends of the earth. That is Jesus' command on your life.
