The Message of the Bible – Jesus is Returning

- 1845 occurrences of the Lord's return in the Bible (318 in New Testament)
- Emphasis of 17 Old Testament books
- Seven out of every ten chapters in the New Testament makes reference to Second Coming

So Jesus came a first time to provide a rescue for what is going to happen when He comes the second time.

*In my vision at night I looked, and there before me was one like the Son of Man, coming with the clouds of heaven. He approached the Ancient of Days and was led into His presence. He was given authority, glory, and sovereign power; all peoples, nations, and men of every language worshiped Him. His dominion is an everlasting dominion that will not pass away, and His kingdom is one that will never be destroyed. (Dan.7:13-14).*

*As the lightning comes from the east and flashes to the west, so will be the coming of the Son of Man. . . . At that time the sign of the Son of Man will appear in the sky, and all the nations of the earth will mourn. They will see the Son of Man coming on the clouds of the sky, with power and great glory. And He will send His angels with a loud trumpet call, and they will gather His elect from the four winds, from one end of the heavens to the other. (Matt.24:27, 30-31).*

***Why The Second Coming In This Way?***

1. The wickedness of man must be punished.
2. One way or another, man must be prostrated before the King of kings and Lord of lords.

***Things We Need to Leave With:***

1. The Second Coming is a glorious event that the whole world, believers and unbelievers will see. It is a visible, physical return. No one misses it.
2. There is no threat to the reign of Christ. The only issue is His timing.
3. He comes with the saints to the earth. In the rapture He comes for the saints and meets in them in the air.
4. No unsaved person is left alive.
5. There is an end to evil. There is no end to God.
6. God fulfills His promises.
7. Christ is King. Wisdom demands we live like it today.

The most real fact of our lives today is that Jesus Christ is returning and it will be awesome.
